**Willowbrook Christian Church
January 8, 2017**

Please sign an **Attendance Book** today.

Our **Trail Youth Group** will meet today at 1115am. It's for kids aged 3-10 and their parents. Crafts, lesson, singing, and games - it's good. Hope you'll get in.

There will be **Bible School Classes** today for adults and students (grades 6-12) at 1115am. Good stuff - if you want to know more about how to live life Jesus' way.

Right Now Media is a collection of 10,000 Christian videos for kids and adults and we offer it free to anyone who asks. Please leave us your email address in the attendance book and we'll add you in.

Before you leave today, please stop in the classroom to the left of the Welcome Center and try out some of the **Sample Seating** we've recently acquired. We're interested in your opinion of what chairs we should invest in.

Bridges Out of Poverty Seminar, Jan 21, 9am-4pm, in Bloomfield. This day of information will help us get ready for our work with Family Promise, as our congregation joins with 12 others in Ontario County to provide shelter, food, and encouragement to homeless families taking steps towards having their own place to live.

Next week, we can offer you a chance to save people's lives - literally. On Monday, Jan 16, 2017, we're going to host a **Red Cross Blood Drive** in the afternoon. If you are able to give blood, call 1-800-RED-CROSS or visit redcrossblood.org and enter willowbrookchristianchurchvictor to schedule an appt.

News and Notes:

Eleanore Freeze has very painful spinal issues which require regular injections for pain management which she was receiving before she moved up here recently from Long Island. If anyone could recommend a source of such procedures in this area, it would be appreciated. Please see her or call 516.304.1315. Thank you.

Sarah Dwyer was immersed last Sunday morning, and she's pretty happy about that! If you haven't had the chance yet, make sure to congratulate Sarah! (And if you'd like to be baptized, we'd be glad to help you with that today!)

Last night, our **Youth Group** spent a couple hours here with the Anchor Christian Church youth group. About 50 people altogether, it was a quite good winter gathering. (No meeting tonight - we'll start back up next Sunday evening!)

Stephanie Anders recently graduated from the Finger Lakes Community College's 12 week Mechatronic Technology job training program. (And she got her picture in the Victor Post!) We're asking God to help Stephanie as she searches for a job that allow her to continue to support her family (while still doing the other 1000 good things that she does).

Bradley Atherholt is collecting school supplies for the Ontario ARC afterschool programs for students with developmental disabilities. If you would like to help Bradley help, you can drop off the supplies in the lobby. Additional details are available on the Willowbrook Facebook page.
