**Willowbrook Christian Church  
January 15, 2017**

**Willowbrook's Coffee House/Silent Auction** is an annual fund raiser for our mission trips to the Dominican Republic. If you would like to help plan this year's event, you're invited to lunch today at the Perez home. Talk to Tammy or Roberto if you'd like details.

Tomorrow, we offer you a chance to literally save people's lives. Monday, Jan 16, is our annual winter **Red Cross Blood Drive, from 2-7pm**. If you are able to give blood, call 1-800-RED-CROSS or visit [redcrossblood.org](http://redcrossblood.org) and enter [willowbrookchristianchurchvictor](http://willowbrookchristianchurchvictor) to schedule an appt, or walk in and give when you can tomorrow afternoon.

**Bridges Out of Poverty Seminar**, this Saturday, Jan 21, 9am-4pm, in Bloomfield. This is a day of information that will help us prepare for our work this year with Family Promise, as we join with 12 other churches in Ontario County to provide shelter, food, and encouragement to homeless families taking steps towards having their own place to live. If interested in being part, please talk with Jon Walker.

Our **Trail Youth Group** meets today at 1115am. It's for kids aged 3-10 and parents. Crafts, lesson, singing, and games.

There will be **Bible School Classes** today for adults and students (grades 6-12) at 1115am. Good stuff - if you want to know more about how to live life Jesus' way.

Last chance. Before you leave today, please stop in the classroom to the left of the Welcome Center and try out some of the **Sample Seating**. We're interested in your opinion of what chairs we should invest in.

News and Notes:

**In Your Mailbox?** We asked if you'd donate Christmas gift cards from grocery stores that we could pass on to families who could use some help. You did, and we did, and one family responded thus. "I appreciate so much the help the people of Willowbrook gave our family with the food gift cards. This was especially timely, and I am so grateful to you for your generosity and thoughtfulness. God bless you." So, good job, and thanks for being a generous bunch of people!

**Steve Coleman** is in Strong Hospital, recovering from open heart surgery to repair his aorta. The surgery went perfectly, but recovery is tough. If you would ask God to help Steve and Karen through, that would be good. **Jim Walker** is in a Buffalo hospital, recovering from what appears to have been a stroke. If you would ask God to help Jim and Carolyn through this, that would be good too.

**Eleanore Freeze** is still looking for a pain management practice in this area. If you have recommendations, pro or con, please see her or call 516.304.1315. Thank you.

**Connor Burrows** continues to collect pop can tabs to benefit the Ronald McDonald house. If you can help him with that, there's a container at the Welcome Center. **Bradley Atherholt** is collecting school supplies for an ARC afterschool program for students with developmental disabilities. If you would like to help, drop off supplies in the lobby. Additional details available on our Facebook page.

**Congregational Meeting** Sun, Feb 5. Plans for 2017.
